A full-page photograph of a wedding couple walking hand-in-hand on a grassy lawn in front of a large, rustic wooden barn. The groom, on the left, has a beard and is wearing a white shirt, brown suspenders, a dark bow tie, and brown trousers. The bride, on the right, is wearing a white lace wedding dress and holding a large, fluffy bouquet of white flowers. The barn behind them has dark wood siding and a corrugated metal section. A string of warm-toned lights is strung across the front of the barn. To the left, there are trees and a gravel area with some outdoor furniture. The overall mood is romantic and rustic.

## VENUE: THE BARN

---

The centerpiece at The Lost Resorts is our historic hand-hewn 18th century barn available for hosting weddings and special events. The 5-acre resort property combines the Arizona White Mountains' natural beauty with the contemporary and rustic design of our resort amenities, creating the perfect setting for a meaningful experience. Surrounded by the sounds of the river and beauty of the meadows and ponds, the Barn has become one of the most sought-after wedding and event venues in the White Mountains.

---

## VENUE: THE MEADOW

---

Pick the view by choosing the location and angling of your arbor  
in our pristine meadow!

Pick your ceremony placement: close to the ponds, valley view, or a mountain backdrop  
your guests will never forget. We currently have three arbor options - the triangular, the  
octagonal, and the classic western style.

## REHEARSAL DINNER // WELCOME BBQ

Rehearsal dinners are typically held the night before the wedding ceremony. Whether you are looking to have an intimate, plated meal or a fun barbecue, The Lost Resorts has you covered. Depending on your dates, we can include both into your destination wedding weekend.

As rehearsal dinners traditionally include only close family and friends, you may choose to have a smaller, more private dinner while the rest of your wedding guests enjoy a less formal meal at a different location on property.

The rehearsal dinner may take place inside our historic barn, while the rest of your invitees enjoy a high-end buffet in the outside dining area.

If you are enjoying a shorter weekend with us and most of your arrivals are on Friday, you are able to choose from the following options for dinner:

- Plated rehearsal dinner for everyone
- Plated rehearsal dinner for select and outside buffet for all other guests
- Barbecue for everyone
- Buffet for everyone

Each one of these options is customizable to food choices that you and your guests will love.
